new function of the noteworthy features are: Co-education; broad course of study; school festivals; various clubs, such as debating club; ethics instruction by Dr. John Lovejoy Elhott and colleagues; playground; athletic sports; ideal equipment; and a large, competent teaching staff. The aims of the School are: Democratic spirit, maintained by a large number of scholarships and partial scholarships for worthy children; model and experimental teaching; and an all around education from an ethical standpoint. Our High School Department prepares pupils for colleges and technical schools, and has certificate privileges in colleges where certificates are accepted. Our Normal Department has been highly successful in preparing Kindergarten teachers. The Open Air School is designed particularly for children who need the benefits of the open air. All departments open September 21, 1914, and close June 4, 1915.
